

### **Contactless card payments**

The per-transaction limit for contactless card payments without PIN verification is no more than 100 GEL; PIN verification is required for payments more than 100 GEL.

The total limit for contactless card payments without PIN verification is 600 GEL.

From May 1st, PIN verification will be required for every contactless payment on the Georgian territory regardless of the transaction amount once the sum of the total previous contactless transactions reaches 600 GEL and after that the calculation will start anew.
