

**Regarding making changes to the "General Agreement for Banking Services for Individuals"  
posted on the website [www.rebank.ge](http://www.rebank.ge)**

On the basis of this document, the "General agreement for banking services for natural persons" posted on the website - [www.rebank.ge](http://www.rebank.ge) - should be changed, in particular, Article 5.1.4 of the agreement is replaced by a new version, with the following content:

5.1.4. The Bank produces the card on the basis of the respective application filled out by a client and gives it to the client for use together with the personal identification code (pin code). Pin codes are delivered in a sealed envelope or via SMS. The Personal Identification code (PIN code) can be changed through the client's Internet banking, mobile banking, as well as through an ATM and/or a service center, in accordance with the rules established by the bank.

Article 5.1.4. provided for in this document shall enter into force from the date of its publication.
